

**Manufacturer’s Tax Credit Certificate - Nonbusiness Energy Property Credit**

**Internal Revenue Code Section 25C**

The Consolidated Appropriations Act, 2021 (P.L. 116-260) amended section 25C, which provides a tax credit for the purchase and installation of “qualified energy property,” including residential heating and cooling equipment meeting certain energy efficiency requirements. Ameristar Heating & Cooling, a brand of Trane U.S. Inc., certifies that the products listed below contain advanced main air circulating fans with an annual electricity use of no more than two (2) percent of the total annual site energy use of the furnace (as determined under standard Department of Energy test procedure), and may be eligible for the section 25C tax credit if placed in service by December 31, 2021. Confirm eligibility of your matched system by visiting [www.ahridirectory.org](http://www.ahridirectory.org) or by contacting your installing dealer.

**Manufacturer:** Trane U.S. Inc., 800-E Beaty Street, Davidson, NC 28036

**Class of “qualified energy property”:** advanced main air circulating fans

**Other Important Homeowner Information**

There are other important requirements and limitations to qualify for the section 25C tax credit, such as the “qualified energy property” must be installed in the homeowner’s primary residence. Ameristar Heating & Cooling recommends that homeowners consult a tax professional to ensure they meet all requirements. The Internal Revenue Service is responsible for implementing and administering the section 25C tax credit.

Under penalty of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
